MEMORANDUM FOR: [

] General Deputy, WH

SUBJECT : Things to Do

1. Mr. Wisner has advised me that he would like you to prepare a paper setting forth in some detail the reverses which PBSUCCESS has suffered in the past ten days. This paper should include such items as [] resigning; the Nicaraguan Lieutenant asking asylum in the Guatemalan Embassy, and results of the LCFLUTTER test, which, although that extends back further than ten days, may well relate to the present reverses we have suffered.

2. The items suggested above are merely intended to be a guide, and there will in all probability be many other items which you will wish to include in your paper. /

3. Mr. Wisner has also requested that we prepare a draft for him of a letter to Ambassador Puerifoy re [] mission in Guatemala.
